

Feathered Friends

Program specifically designed for Assisted Living Centers,
and Multi-handicapped classrooms.

An interactive live-bird program providing an educational, therapeutic and enriching experience.

Format:

At the Sanctuary: A one-hour program provided by the Ohio Bird Sanctuary staff. Program includes interaction with three birds and a tour of the songbird aviary. Your group is welcome to stay after the program or arrive early to walk our nature trails and enjoy a picnic lunch.

At your location: Ohio Bird Sanctuary staff will visit with four live birds: a small falcon named Ditch, an inquisitive owl named Monty and two domesticated bantam chickens (Lil Miss and Lucy). The staff member will exhibit the owl and falcon offering an up close view and question and answer session. The chickens will visit with the participants through an opportunity to feed, pet and hold on their lap.
