

OHIO BIRD  
SANCTUARY

# 2017 Annual Appeal

Gifts to the Annual Appeal provide important resources to operate the Sanctuary's rehabilitation services and management the public nature preserve and living bird museum.

Each year the Sanctuary has the opportunity to bring the wonders of the natural world to the classroom and host bus loads of children at the Sanctuary to encounter nature and wildlife. Gifts to the Annual Appeal support the care of our display birds and our youth programming.

Staff provide professional and compassionate care to rescued birds. Often our own educational birds serve as foster for young birds to provide comfort and assist in the development of proper social skills. A gift towards bird care supports our rehabilitation efforts and care of our avian ambassadors.
