

OHIO BIRD SANCTUARY

2019 Annual Appeal

"Animals are the bridge between us and the beauty of all that is natural. They show us what's missing in our lives, and how to love ourselves more completely and unconditionally. They connect us back to who we are, and to the purpose of why we're here." — Trisha McCagh

The mission of the Ohio Bird Sanctuary is to create an environment of learning and interaction with nature that generates within people a desire to be compassionate and good citizens of our natural world. We accomplish this through providing innovative environmental education and modeling stewardship of wildlife and natural resources.

Ways you can support the Sanctuary

Contributions can be made as a monetary donation or by purchasing a wish list item. Consider providing long-term support by including the Sanctuary in your estate and planned giving or by a gift to the Sanctuary's "Nest Egg" to build the endowment fund.

BIRD CARE

Songbirds: Birdseed, suet pellets, berries and mealworms.

(Donation of \$50 provides fruit, worms, and seed for our aviary for one week.)

Raptors: Whole fish and rodents provide an important food source for our birds of prey.

(Donation of \$75 would provide food for our educational eagles for one week.)

Rehabilitation: Vet wrap, honey bandages, 1 inch rolled gauze, puppy pads and gift cards.
(Gift of \$150 would cover the cost to rehabilitate one small raptor or 10 nests of songbirds.)

YOUTH PROGRAMS

Ashley Cooperrider Scholarship (\$90): Sends a deserving child to Nature Camp for learning and outdoor fun.

Jr. Naturalist Field Experiences (\$250): Sponsors a field trip for youth 13-17 years of age.

"Bird Barn" Project

The Sanctuary needs a structure that is separate and isolated from the daily bird care area to provide temporary housing for birds brought to the Sanctuary that have risk of spreading disease to other birds in our care.

Material costs: \$18,000.

Gifts to the Annual Appeal are tax deductible and provide important resources to operate the Sanctuary's rehabilitation services and management of the nature preserve and living bird museum.

I would like to support the Sanctuary through a gift to the 2019 Annual Appeal.
