**Ohio Bird Sanctuary
COVID-19 Home School Program Policy**

This policy was put in place on July 30, 2020. It is subject to change based on updates given by the Governor or Ohio Department of Health.

The Ohio Bird Sanctuary will be operating the 2020-2021 Home School Program following the plan outlined below:

- Home School Programs will have a maximum group size of fifteen (15) students.
- Weather permitting, we will be spending the majority of the program time outside. (Exceptions include extreme weather events, bathroom breaks, hand washing, etc.)
- Face masks are optional for students. Staff will wear masks when inside and cannot be 6ft from the students.
- Surfaces within the Education Building will be cleaned and sanitized after each program.

Student Drop-Off Plan

- When dropping your child off, you should come to the parking lot by the Education Building. Follow the signs directing you to the drop-off location. Parents should remain in the car unless the student needs assistance getting out of the car.
- An OBS staff member will greet cars and check the student's temperature using a touchless thermometer. (If any child has a fever of 100 degrees or higher, they may not stay for the program)
- The student will then go in the Education Building to drop off any personal belongings and wash their hands.

During the Day

- Unless weather deems it unsafe, the Home School Programs will take place almost entirely outside.
- Each student will have a designated spot to put their personal items that is separate from others.
- If the program includes an edible activity, staff will wear gloves when handling food items.
- During the program, students will be encouraged to wash hands or use hand sanitizer when arriving, after returning inside from outside play, after going to the bathroom, after touching animals, and prior to eating (if applicable for a certain program).

Student Pick-Up Plan

- When picking your child up, you should come to the parking lot by the Education Building. Similar to drop-off, parents should remain in the car unless the student needs assistance getting into the car.
- An OBS staff member will greet cars and confirm who you are picking up.
- Your child will then be dismissed to leave.
