We, the parents or legal guardians of \_\_\_\_\_, would like to register our child for a Home School Field Trip at the Ohio Bird Sanctuary at its outdoor facility at 3774 Orweiler Rd., Mansfield, Ohio.

We understand that while all possible precautions will be taken to allow our child to have a rewarding, educational experience, the Ohio Bird Sanctuary will not be held responsible for injuries or losses, either to person or property, while our child visits this facility, and we release the Ohio Bird Sanctuary from such liability. We understand that some of the activities, such as trail hiking, have risks and may be strenuous. We are aware of these risks and of our child's ability. We give the staff of the Ohio Bird Sanctuary permission in an emergency situation to seek medical attention for our child.

We understand that our child may be photographed at the Ohio Bird Sanctuary, and we grant the Ohio Bird Sanctuary permission to use these photographs in publications, news releases, online, and in other communications related to the mission of the Ohio Bird Sanctuary.

We also understand that we are responsible for our child's actions while at the facility. We agree to be responsible and pay for any property damage caused by our child.

**Ohio Bird Sanctuary  
COVID-19 Student Field Trip Policy**

**This policy was put in place on July 30, 2020. It is subject to change based on updates given by the Governor or Ohio Department of Health.**

The Ohio Bird Sanctuary will be operating all 2020-2021 Home School Student Field Trips following the plan outlined below:

- Home School Student Field Trips will have a maximum group size of fifteen (15) students. One (1) parent/caregiver may stay for the field trip (Though not required).
- Weather permitting, we will be spending the entire field trip outside. (Exceptions include extreme weather events, bathroom breaks, hand washing, etc.)
- Face masks are optional for students. Staff will wear masks when inside and cannot be 6ft away from the students.
- Surfaces within the Education Building will be cleaned and sanitized after each program.

**Student Drop-Off Plan**

- When dropping your child off, you should come to the parking lot by the Education Building. Follow the signs directing you to drop-off location. Parents should remain in the car unless the student needs assistance getting out of the car.
- If a parent/caregiver will be staying for the field trip, please park in the upper parking lot by the Education Building.
- An OBS staff member will greet cars and check the student's (and parent's if staying) temperature using a touchless thermometer. (Any child or adult with a fever of 100 degrees or higher may not stay for the field trip)
- The student may then go in the Education Building to drop off any personal belongings.

**During the Field Trip**

- Unless weather deems it unsafe, the Home School Student Field Trip will take place almost entirely outside.
- Each student will have a designated spot inside the Education Building to put their personal items that is separate from others.

**Student Pick-Up Plan**

- When picking your child up, you should come to the parking lot by the Education Building. Similar to drop-off, parents should remain in the car unless the student needs assistance getting into the car.
- An OBS staff member will greet cars and confirm who you are picking up.
- Your child will then be dismissed to leave.
